DS2 is a leading Scottish manufacturer of office screens and seating, based in Dunblane.

Combining great knowledge and experience in office screens and furniture, our dedicated team of skilled workers have over 60 years experience in the office furniture trade.

DS2 exists to provide the office furniture dealer network with a high quality range of screens, both desk mounted and free standing. Our commitment is to use only the finest raw materials sourced wherever possible from renewable resources.

Made at our Dunblane factory we strive to achieve an industry leading delivery as well as consistency in our production process.
